Widely Known Belgian, French And Czechoslovakian Newspapers Print Accounts Of Memorial To Congress By The National Association For The Advancement Of Colored People. Comments Freely Made.

Special To The Argus  
NEW YORK, July 19.—The National Association for the Advancement of Colored People announces the receipt of telegrams from a large number of Belgian, French and Czechoslovakian newspapers, in which are printed accounts of lynchings in America. The number includes such widely known papers as L'Independence Belge of Brussels, L'Echo du Nord of Valenciennes, Nord, Nord-Libre and Tribune de Charleroi and many others.

The accounts read:

"The movement against lynching is spreading and the recent murder of Dr. J. P. Hunter has called public attention to this matter in a very effective manner. A memorial bearing the signatures of three hundred American citizens demanding a role of the United States against lynching has just been presented to the Senate. Among the signatories are prominent statesmen, scientists, business and clergyman, former dip-

According to reports from many parts of the State, R. L. Brewster of Kansas City is leading the field among the lynchings. The lynchings which are being carried out in his name are not taking care of his own people, but taking care of his own people.

It is generally conceded wherever Mr. Brewster has spoken, that he is the lynchings, and is the lynchings, and is the lynchings.

An active campaign is being carried on in St. Louis in behalf of Mr. Brewster. The lynchings are being carried on in St. Louis in behalf of Mr. Brewster. The lynchings are being carried on in St. Louis in behalf of Mr. Brewster.

# Sacks In An Unholy Alliance

The colored people of the State will do well to steer clear of William Sacks, candidate for United States Senate, and his unholy alliance with Texas.

To vote for him, is a vote for Texas sentiment, in that, one Wm. B. Flynn, Sack's Manager, is a rock-ribbed Texan with all the characteristics of Southern lordship over Negroes, who seems to be the guiding star in all Sacks actions. In fact, we believe that it was at the solicitation, and advice of Flynn that Sacks entered the race. There is no doubt in our mind but, that it was a scheme born in the State of Texas to put Sacks in the race under false colors in the hope that Texas would have another Senator.

Listen to reason. In support of the above statement, let it call the attention of the readers of the Argus to the fact that every possible effort was made by the leaders of the Republican party to keep Sacks out of the race. The Republican City Committee passed resolutions aimed at keeping Sacks out of the race. The Mayor refused to support him. No power in the State could keep Sacks out of the race. So it stands to reason that it was the influence of Wm. B. Flynn, a Texan who made him enter the race.

It has been said that Flynn claims that he understands the Negroes, and for that reason he is endeavoring, to handle them in true Texan style. Everybody knows how the Negroes are treated in Texas. Already complaints are being made to us charging that Flynn has threatened to throw some Negro out of his office.

Where Sacks is mistaken is that he thinks that Negroes are still child-like, and one Southern white man like Flynn can handle a cow-pony full of them and make them do his biddings. Of course his reputed millions will make the palms of some, but even his dollars can't buy the support of many men and women of the race in this State.

No one will believe that Sacks is sincere in his declaration in favor of the Dyer Bill. Flynn, we are told is his brother-in-law. We don't believe he is in favor of the bill unless Flynn is in favor of it. We don't believe Flynn is a bit more in favor of the bill than the Sommers of Texas who opposed the bill in Congress.

Warning is hereby given the readers of this paper as to the unholy alliance between Sacks and Texas. Sacks has large oil holdings in the State and he would hardly risk anything to offend the people of the State. Texas may be the hope of Ku Kluxism, lynching, burning mob-law. We have never heard of Sacks or his brother-in-law Flynn raising their voice against any of these things.

We do not charge that Flynn is a member of the Ku Klux Klan, but so far as we know, he has never denied it.

Before we would set our approval on Sacks for the United States Senate, he would have to denounce his unholy alliance with the spirit of the South.

## COLUMBIA, MO.

The services at the Broadway Baptist Church were well attended Sunday. Collection \$240.00. Blind Boone is spending his vacation at home on Trunk and Water St. The people of Columbia are always glad to see Boone come home. He always gives us an opportunity to hear some of his new instrumental music. He has had few equals and no superiors. When the Broadway Baptist Church was held and knew not what to do, it was that Blind Boone came to our aid and also that Mr. John Lange who was Blind Boone's manager for a number of years. They paid off the present mortgage and kept it until we were ready to pay. They always remembered us and when ever we had a rally to pay off the debt, all we had to do was to write them on the rally day we would receive fifty or a hundred dollars from them. They will always have a place in the hearts of the people of Broadway Baptist Church. Mr. Lange who has since moved to the grave, made an everlasting impression on us as we always found him to be a friend to need.

# For Justice of the Peace

## FOURTH CONSTABULARY DISTRICT

Attorney Crittenden E. Clark  
ON THE REPUBLICAN TICKET. VOTE FOR HIM

Mr. Clark entered the race after due and careful consideration of just what it would mean to himself and the colored people of the city to have one of their race on the bench.

Aside from this fact, Mr. Clark, as a lawyer, is fully qualified to bring honor and efficiency to the office. Comparing his qualifications with the other candidates for that office and judge for yourself.

He completed his legal education at the Washington University Law School of this city, and was admitted to practice on January 25th, 1907, and has practiced his profession, continuously since that time. In the trial of cases that come before the Justice of the Peace, cool judgment is necessary, and one should be versed in the law. The cases tried are generally those of the poorer people, where the judgment is final and the cost of appeal is so great that few can

afford to pay the price. Hence the Justice should be a man of high standing and of legal ability.

Mr. Clark is charitably disposed, being a large contributor to the Y. M. C. A., the Orphan Home and other institutions. His brilliant record as Grand Master of Masons stands unqualified, his membership having reached in the three years he has been Grand Master, and from a deficit of several thousand dollars, he retired this year with a Cash Balance on hand of fifty thousand dollars after all claims of every nature have been paid.

The Fourth District comprises the first eleven precincts of the Sixth Ward, first eleven Precincts of the Seventeenth Ward, and Precinct No. 7 of the 16th Ward.

Remember the name: CRITTENDEN E. CLARK FOR JUSTICE OF THE PEACE. A SQUEALING DEAL TO ALL.

# The People's Candidate

If you want a HIGH SCHOOL FOR COLORED STUDENTS, located in the Seventeenth Ward east of Grand Avenue, VOTE FOR MRS. ELBRIDGE FULKS for Seventeenth Ward member of the Republican City Committee.

Mrs. Fulks is pledged to use all the power at her command, as member of the committee, to get this school for you.

Mrs. Fulks, as the only woman on the committee, will stand for things in which women of the entire city are interested, GIVING HER AN INFLUENCE IN SHAPING PARTY POLICIES, AND IN BEHALF OF THE WARD WHICH SHE REPRESENTS, MUCH GREATER THAN THAT OF ANY OTHER MEMBER OF THE COMMITTEE.

A VOTE FOR MRS. FULKS IS A BOOST FOR THE HIGH SCHOOL, and to vote for Mrs. Fulks just SCRATCH THE NAME OF FRANK M. SLATER at the bottom of your ballot.

## Mrs. Elbridge Fulks

Of The Republican

*City Committee*  
SEVENTEENTH WARD

PRIMARY ELECTION AUGUST 1st, 1922

*For*  
*Better Recognition*

*For*  
*Truer Representation*

IF YOU WANT YOUR BALLOT COUNTED AS CAST in the Seventeenth Ward for candidates of your choice for JUSTICES OF THE PEACE AND CONSTABLES in the Fourth District VOTE FOR MRS. ELBRIDGE FULKS for Seventeenth Ward member of the Republican City Committee.

Mrs. Fulks is pledged that the ballot of every voter in the Seventeenth Ward, both white and colored, must be counted as cast.

MRS. FULKS STANDS FOR HONEST ELECTIONS AND FOR EQUAL AND EXACT JUSTICE TO ALL, REGARDLESS OF RACE, CREED, SEX OR COLOR.

A VOTE FOR MRS. FULKS IS A DEMAND FOR A SQUARE DEAL. If you want a square deal SCRATCH THE NAME OF FRANK M. SLATER at the bottom of your ballot.

If you want a member of the committee that will be the PARTY SERVANT AND NOT THE PARTY BOSS of Republican voters in the ward, VOTE FOR MRS. ELBRIDGE FULKS for Seventeenth Ward member of the Republican City Committee.

Mrs. Fulks will demand that the ward be given the recognition to which it is entitled in the distribution of proper public patronage, but WILL ASK THE REPUBLICAN ORGANIZATION IN THE WARD TO SAY TO WHOM THESE PLACES SHALL GO.

The election of Mrs. Fulks means that the ward organization in every precinct on both sides of Grand Avenue must be consulted in the distribution of city jobs.

If you want to give deserving party workers, heretofore ignored, a chance, SCRATCH THE NAME OF FRANK M. SLATER at the bottom of your ballot.

If you want the Seventeenth Ward east of Grand Avenue to become a CIVIC, CHURCH AND SCHOOL CENTER, and because of that the most desirable colored residence section in St. Louis, VOTE FOR MRS. ELBRIDGE FULKS for Seventeenth Ward member of the Republican City Committee.

Mrs. Fulks stands for principles that mean better houses, better streets and better citizenship, encouraged by such improved conditions.

A VOTE FOR MRS. FULKS IS A VOTE FOR A BETTER HOME for your family and if you want to vote for Mrs. Fulks SCRATCH THE NAME OF FRANK M. SLATER at the bottom of your ballot.

## Mrs. Elbridge Fulks Stands For These Principles

WHEREAS: We, the "Seventeenth Ward Committee of 132", representing the Republican voters of that ward, assert our belief in honest and clean municipal government, demand that every voter shall have the right to cast one ballot and have that vote counted as cast, and repudiate domination of the party ward organization for corrupt and selfish purposes; and

WHEREAS: Frank M. Slater, member of the Republican City Committee for the old Seventeenth Ward, who was ousted from the office of Public Administrator, after the disclosure of election frauds perpetrated in the ward in his behalf, is a candidate for election to the committee representing the new Seventeenth Ward; and

WHEREAS: A stream cannot rise above its fountain head and a ward party organization and its principles cannot be better than the individuals who compose and dominate that organization; therefore, be it

RESOLVED: That we are opposed to the election of Frank M. Slater as a member of the Committee for the new Seventeenth Ward, such opposition being based upon his record, which is undesirable; and be it further

RESOLVED: That we favor and endorse the election of Mrs. Elbridge Fulks, to succeed Frank M. Slater as a member of the Republican City Committee, and pledge our support to her for the following reasons:

We want to remove the stigma of political fraud that has caused residence in the Seventeenth Ward to become a city-wide reproach.

We want to abolish a fraudulent political system that has done more, and if permitted to exist will continue to do more, to depreciate the value of property in the Seventeenth Ward than a permanent pestilence.

The Seventeenth Ward is the geographical center of the city. Its location near the business center and its adequate transportation facilities, its many churches,

hotels, apartment houses and splendid residence boulevards and streets should, and would, invite under improved ward political conditions the highest type of citizenship.

We stand for conditions that will promote civic and educational development in the Seventeenth Ward.

A Masonic Temple, to be one of the most imposing in the world, is in course of construction, while the homes of clubs and a great University are located just west of Grand Avenue; and we stand for the removal of the blight that present political conditions in the Seventeenth Ward, cast upon these institutions.

The beautiful Y. M. C. A. Building on Pine Street, east of Grand Avenue, is a monument that stands for the sobriety, morality and industry of the colored race, although colored voters in the Seventeenth Ward, under present political conditions, are denied the right to have their votes counted as cast.

We stand for the election of a member of the Republican City Committee to represent the Seventeenth Ward in the Republican Party councils pledged that the ballot of every voter, both white and colored, in the ward will be counted as cast.

We stand for a modern and thoroughly equipped high school for colored students to be located in the Seventeenth Ward, east of Grand Avenue, so that succeeding generations may not only have their ballots counted as cast, but may cast intelligent ballots.

We believe that members of the party committee should be the servants and not the bosses of the Republican voters in their respective wards.

We stand for the election of a member of the Committee to represent Republican voters in the Seventeenth Ward in the Republican City Committee pledged to represent all of them and not just himself, relatives and personal friends.

We want a member of the Committee who will demand that the ward be given the recognition to which it is entitled in the distribution of proper public patronage, but who will ask the Republican organization in the ward to say to whom these places shall go.

We believe that a \$5,000 position on the city payroll, held by a member of the city committee, or a relative, merely because of political influence and not on the ground of efficiency, is a detriment to the public service and an injury to the party, and we are opposed to such practice.

We think two efficient men or women on the payroll at a total of \$5,000 a year, instead of one individual at that sum, even if efficient, will result in better public service and in twice the party service, and we stand for that principle.

We favor the election of a member of the Committee who will demand honest elections, refuse promise of protection to criminal characters, in return for corrupt political work, and who will stand for exact justice to all voters regardless of race, sex or color. Voters who stand for these principles will stand with Mrs. Fulks in the election.

We are opposed to the intimidation of voters at the polls and in public political meetings, and we believe the election of Mrs. Fulks will put an end to this reign of terror. Voters who stand with us for this principle will support Mrs. Fulks in the primary.

The Republican Party issue in the Seventeenth Ward is clearly drawn with the principles involved as far apart as the opposite sides of the earth. The side which Mrs. Fulks represents stands for political integrity and public decency. There is no middle ground and it is up to the Republican voters to make their choice.
